What's happening in July?

TEEN Animation Workshop

with Jason Love

Wednesday, July 9th @ 6:30pm

Here is your chance to make your art come alive! In this workshop you will create your very own animated video. Shoot a rocket ship into space, make a monster do the chicken dance, or bring your original ideas to life! You're welcome to bring your own equipment: e.g. camera, tripod, or computer, but it's not required. You'll receive a DVD of your video a few weeks after the workshop. Space is limited, so call 424-1812 to register. For ages 12 and up.

End of the Summer Reading Program Picnic:
