

# Family Fort Night

## Have a winter reading adventure!

### Supplies included:

- Walking S'mores kit
- Books
- Glow Sticks

### Supplies needed:

- Blankets, sheets, pillows, tablecloths
- Plastic clips or clothes pins or tape- do not use books or other heavy objects to hold things down
- Flashlights

Using blankets, sheets, and/or tablecloths create a cozy fort to read in. Mix up your Walking S'mores, grab a flashlight and glow sticks and cozy up for stories, camping style.

Join us via Zoom on Tuesday, January 12 from 6:30-7 to share your fort design, play a game, and listen to a story. Zoom link was emailed with registration and will also be available on our website calendar.

### **Pillowcase game instructions** (similar to "What's in Your Purse")

Fill a pillowcase with about 20 items from around the house. Focus on things a child might need while camping. When we play the game via Zoom, Ms. Jaci will ask if you have an item in your bag. For each item you have, you will get a point. We will see who has the most points.

### **More fun ideas**

- Play Hide and Seek-give one family member a glow stick. The person wearing the glow stick will hide. Turn off the lights and the rest of the family can find them.
- Play flashlight tag. Turn the lights out. The seeker uses the flashlight to "tag" the rest of the family members.
